Chemists are astonished over the recoveries attributed to Gall, Liver and Bile ailments from the use of

LOWER'S Z. Z. Z. GALL TABLETS

50,000 tablets are now being sold monthly at Lower's Pharmacy. C. Lower, Marion Chemist says that if the world absolutely knew of this marvelous product no store would be big enough with large enough clerk force to handle the demand—

Over 200 persons have come to Marion from different parts of Ohio last week to obtain this remedy-

People that are tired, achy and no pep and suffer from Gall, Liver and Bile ailments should by all means start the use of this remedy at once—To neglect Gall, Liver and Bile today is considered risky and dangerous.

Our highest recommendation is to ask any Z. Z. Z. user.

I came upon a venerable clock I came upon a venerable clock in a gallery the other day that would harken the horological hobbist A Tiffany a century old and shaped like the top of a grand father clock it booms the hour in exact the timbre of Big Ben and with clarion zonon On the quarter hour it sounds the Westminister chimes It is a product of candled it day and at the side is a little cord to be pulled out that makes cord to be pulled out that makes cord to be pulled out that makes crist the nearest hour in the dark. Clock collecting seems a rather drach pursuit ye, it faves nates many worldly men. Will Hogg collected bunjo clocke Gele turges; has a half dozen clock. Burgess has a half dozen clocks in ever, room Denc Avlesworth goes in for grandfather clocks And there's Bob Hagues collection of watches and clocks one of the largest in the world. There's a melarchol swing about the rhith mic tick tock of clocks that has an appeal Napoleon at St. Heinna and he longed more than any thing else for a favorite clock firm Malmarson.
